Division of  
*M/s. City Cat International Ltd.*

*Dedicated to Advanced Refractories Solutions*

## Brief Introduction about our Company.

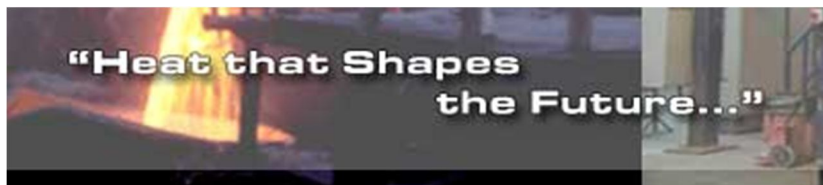

*Dedicated to Advanced Refractories Solutions*

## About Us

- City Cat Refractories is a blooming offshoot of City Cat International Ltd. Began its operation in the Year 2002.
- It is specialized in supplying highest quality of Refractory Products that invariably goes into smelting Plants and various other Industries.
- Our Refractory Products are Highly heat resistant and durable without causing any environmental hazards.
- The feedback from the customers and success rate bear testimony to the achievement of Companies Objectives.
- This inspired us to exceed expectations and add following products as well to be supplied along with Refractory Products such as Ferro Alloys, Bricks, Carbon Raiser, Electrodes, Pipes, Castables & Mortars Etc.

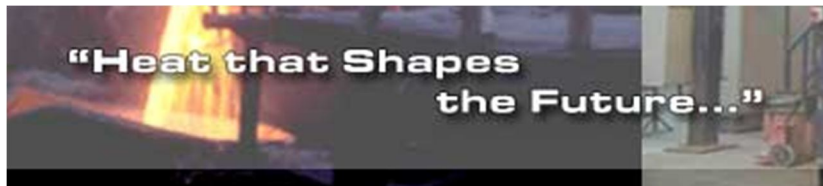

*Dedicated to Advanced Refractories Solutions*

## About Us

- Due to our Group very active in marketing & Distribution of our various products in Africa, Middle East & Other Countries worldwide where we have our presence since year 1985 , we have been successful in qualifying ourselves as suppliers in various Iron & Steel Plants.
- Our Company has been awarded in the Year 2004 **“STAR EXPORT HOUSE”** Status by Indian Government for achieving Pre- Set Target for Exports.

*Dedicated to Advanced Refractories Solutions*

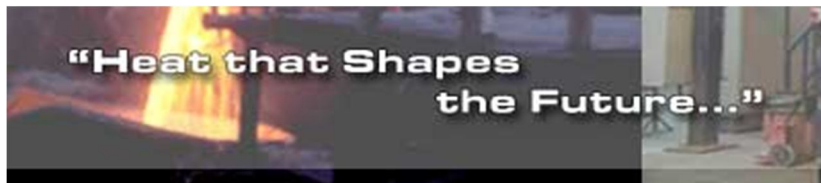

## Our Mission

- To identify and satisfy the products , service and self fulfilment needs of our customers
- We go up to the last extent to identify the customers.
- We market only the most superior products.

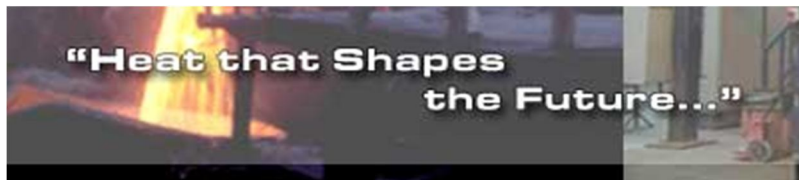

## Product Range

- Refractory Products such as :
  - Slide Gate Plates
  - Upper Nozzle
  - Collector Nozzle
  - Porous Plug
  - Gas Purging Blocks
  - Tundish Board
  - Tundish Nozzles
- Castables & Mortars
- Oxygen Lancing Pipes

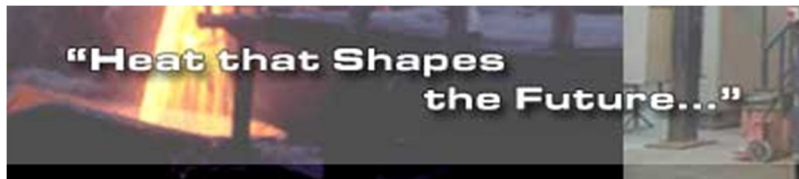

## Product Range

- **Fire Bricks such as :**
  - **Resin Bonded Magnesia Carbon Bricks**
  - **Resin Bonded Alumina Carbon Bricks**
  - **Resin Bonded Alumina – Magnesia Carbon Bricks**
  - **Dolomite Carbon Bricks**
  - **Magnesite Bricks**
  - **Chrome Magnesite Carbon Bricks**
  - **Magnesite Spinel Bricks**
  - **High Alumina Bricks**
  - **Fireclay Bricks**
  - **Insulation Bricks**

## Product Range

- **Carbon Raiser :**
  - Made from Coal ( Anthracite)
  - Made from Calcined Petroleum Coke
  - Made from Synthetic Graphite.
- **Graphite Electrodes**
  - HP, UPH Grades.
- **Ferro Alloys :**
  - Ferro Silicon
  - Silico Manganese
  - Ferro Manganese
